Committee Interest (Optional)

Members of the Society of State Leaders of Health and Physical Education often contact and become better acquainted through service on committees. Committees do their work via conference call and/or emails. We invite you to choose a committee below that will benefit you in your work.

<input type="checkbox"/> Advocacy, Policy, and Legislation	Monitor and assess current and proposed policies and legislation. Collaborate with other organizations, with the approval of the Board of Directors, to educate appropriate target audiences, regarding research-based policy and legislative options.
<input type="checkbox"/> Communications and Marketing	Strengthen the external and internal communication efforts to increase membership and financial resources for programs and services and build strategic partnerships with related health and education organizations.
<input type="checkbox"/> Finance	Oversee the financial operation and growth of the Society. Advise the Board of Directors for managing financial holdings, identifying opportunities for strategic partnerships and growth, and expanding and diversifying the funding base (e.g., grants).
<input type="checkbox"/> Membership	Support the Society through recruitment and orientation of new members as well as support for current members to meet their diverse needs.
<input type="checkbox"/> Professional Development	Support Society Board of Directors in planning and executing of professional development opportunities to meet the needs of members using face-to-face and/or virtual strategies.
<input type="checkbox"/> None
